Monday November 4th**General Health Evaluation and disease-specific recommendations in childhood sports****Synchronous e-learning lectures (Zoom platform) Afternoon 17.00-21.00****Presentations: max 20 minutes + 5 minutes interactive discussion**

Welcome Faculty Greetings		17.00-17.15
Part I		
Introduction -What sport for which child	Germanakis I	17.15-17.30
Childhood / Adolescence Psychology	Pratikaki A	17.35-17.55
Pediatric Neurology and sports	Vorgia L	18.00-18.20
Pediatric Pulmonology and sports	Paraskakis E	18.25-18.45
Pediatric Orthopedics and sports	Dimitriou R	18.50-19.10
 <i>PAUSE</i>		 19.15-19.30
Part II		
Pediatric Endocrinology and sports	Maniadaki I	19.30-19.50
Pediatric Nephrology and sports	Bitsori M	19.55-20.15
Pediatric Rheumatology and sports	Perdikogianni C	20.20-20.40
The female athlete	Verkousis T	20.40-21.00

Tuesday November 5th**General Health Evaluation and disease-specific recommendations in childhood sports*****Synchronous e-learning lectures (Zoom platform) Afternoon 17.00-21.00******Presentations: max 20 minutes + 5 minutes interactive discussion***

Part I

Infectious control and sports	Vergadi E	17.00-17.20
Ophthalmology and sports	Plainis S	17.25-17.45
Diabetes and sports	Lioudaki M	17.50-18.10
Pediatric Hematology-Oncology and Sports	Katzilakis N	18.15-18.35

PAUSE		18.40-18.50
-------	--	-------------

Part II

US guided interventions in pediatric athletes	Drakonaki E	18.50-19.10
Contusions and brain injury in sports	Vakis A	19.15-19.35
Imaging sport injuries in children	Raisaki M	19.40-20.00
First aid in pediatric sports	Ilia S	20.05-20.25
Students experiences & suggestions	Students (5min each)	20.30-21.00

Wednesday November 6th**Pediatric Cardiology and Sports*****Synchronous e-learning lectures (Zoom platform) Afternoon 17.00-21.00******Presentations: max 20 minutes + 5 minutes interactive discussion***

PART I

Child vs adult heart disease: differences	Germanakis I.	17.00-17.20
Channelopathies and cardiomyopathy, epidemiology	Bagaki A	17.25-17.45
Extrasystolic arrhythmia and sports	Giannakopoulou A	17.50-18.10
Syncope and sports	Vlahos A	18.15-18.35
Kawasaki Disease and sports	Papadopoulou-Legbelou K	18.40-19.00
PAUSE		19.00-19.15
Myocarditis and Sports	Anagnostopoulou A	19.15-19.35
Congenital Heart Disease and Sports	Karatza A	19.40-20.00
Marfan Syndrome and Sports	Ballmann L	20.05-20.25
Arrhythmogenic heart disease and sports	Papagiannis I	20.30-20.50
Students experiences & suggestions	Students (5min each)	20.50-21.00

Thursday November 7th**Pediatric Electrocardiogram Workshop*****Synchronous e-learning lectures (Zoom platform)*** ***Afternoon 17.00-21.00***

Interactive Pediatric ECG Workshop Germanakis I.

Part I. 17.00-19.00

PAUSE 19.00-19.15

Part II. 19.15-21.00

Friday November 8th**Pediatric Cardiac Auscultation Workshop. Part I*****Synchronous e-learning lectures (Zoom platform)*** ***Afternoon 17.00-21.00***

Interactive Digital Phonocardiography Workshop Germanakis I.

Part I. 17.00-19.00

PAUSE 19.00-19.15

Part II. 19.15-21.00

Saturday November 9th**Pediatric Cardiac Auscultation. Part II.*****Synchronous e-learning lectures (Zoom platform)*** ***Morning 09.00-12.30***

Interactive Digital Phonocardiography Workshop Germanakis I.

Part I 09.00-10.30

PAUSE 10.30-10.45

Part II 10.45-12.30

Certification Exams ***Afternoon 13.00-15.00***

Certification Exams-Clinical Skills-Digital Phonocardiography

Certification Exams –Theory –Course Validation

FACULTY:

Anagnostopoulou Andriana MD, MSc.MRCPCH, Consultant Univ. Hosp. Agia Sofia ,
Pediatric Cardiology

Bagaki Alena MD, PhD candidate, Consultant Primary Care Pediatrics

Ballmann Lisa MD, Univ. Hospital Innsbruck, Pediatric Cardiology

Bitsori Maria, MD, PhD, Consultant, Univ. Hosp. Heraklion, Pediatric Nephrology

Dimitriou Rozalia, Assist. Prof. UOC, Pediatric Orthopedics

Drakonaki Elena, Assist Professor, UOC, Anatomy /Clinical Radiologist-Vice President of
European Society of Skeletal Radiology

Germanakis Ioannis, Prof. UOC, Pediatrics- Pediatric Cardiology

Giannakopoulou Aikaterini, MD, PhD, Consultant Univ. Hosp. Agia Sofia Pediatric Cardiology
President of the Hellenic Society of Pediatric Cardiology

Iliia Stavroula, Assoc. Prof. UOC, Pediatric Critical Care

Karatza Ageliki, Prof. University of Patras, Pediatric Cardiology

Katzilakis Nikolaos, MD, PhD, Consultant Univ. Hosp. Heraklion, Ped. Hematology-Oncology

Lioudaki Marilia, MD, PhD, Consultant Univ. Hosp. Heraklion, Pediatric Diabetes

Maniadaki Ilianna, MD, PhD, Consultant Univ. Hosp. Heraklion, Pediatric Endocrinology

Papadopoulou-Legbelou Kiriaki, Prof. University of Thessaloniki, Pediatric Cardiology

Papagiannis Ioannis, MD, PhD, Director, Pediatric and Adult CHD, Onassis Cardiac Center.

Paraskakis Emmanouil, Prof. UOC, Pediatric Pulmonology

Perdikogianni Chrysoula, Assist. Prof. UOC, Pediatrics

Pratikaki Anastasia, PhD, Teaching Staff, UOC, Developmental Psychology

Plainis Sotirios, MSc, PhD, FBCLA, Lab. Of Vision-Optics, UOC, Optometry

Raisaki Maria, Prof UOC, Paediatric Radiology, Board Member in European Society
of Paediatric Radiology (ESPR)

Vakis Antonios, Honor. Prof, UOC, Neurosurgery

Vergadi Eleni, Assist. Prof. UOC, Pediatrics

Vlahos Antonios, Prof. University of Ioannina, Pediatric Cardiology

Vorgia Pelagia, MD, PhD, Pediatric Neurology

Vrekousis Thomas, Elected Assoc. Prof. UOC, Obstetrics-Gynecology

Students with short presentations: To be defined
